Judges reserve the right to reclassify any car day of show. Two car minimum required for a class. Tow vehicles and trailers must be parked in over flow lot. Any car with 3 or more modifications must enter modified class. Each car will be judged on its exterior, interior, trunk, engine and under-carriage. Safety items, condition of glass and a fire extinguisher will also be evaluated. Any part of the car, such as the trunk, not open and visible for inspection will get zero points. Convertibles must have top up for inspection or get zero points for the condition of the top.
